

**Black Spoon Management & Consultancy(Allo Beirut),  
Dubai**

**Food Safety Policy**

We are in customer service business and we have developed our staff culture and staff attitude towards customer care. To strengthen our VALUE of **FOOD SAFETY** in our customer care attitude, Black Spoon Management Consultancy(Allo Beirut), Dubai has established and will continually improve the Food Safety Management System by all means at all level not only in our business but also of our business partners.

We do believe to maintain very close coordination& communication amongst our stake holders, interested parties, regulatory authorities, internal& external customers and suppliers for the sake of food safety assurance & we are striving to continually improve our association at all levels.

From top to bottom, we trained the people to have strong footing on food safety system and will remain consistent in training approach & human resource development, not only to meet but exceed the product safety requirements and all applicable, ascribed or described statutory and regulatory requirements.

Food Safety is never ending and ever changing area and Black Spoon Management Consultancy(Allo Beirut) Dubai's management is committed to follow up all changes and regulations by establishing Food Safety Goals and Objectives.
